

# ASN Submission

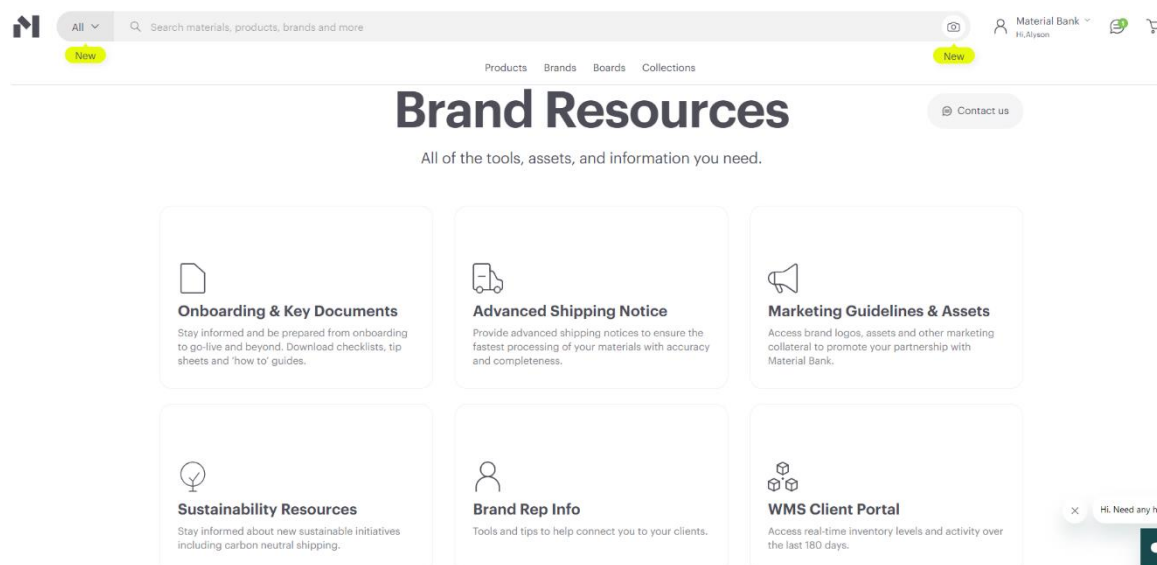

The following document provides step-by-step instructions on how to upload an Advanced Shipping Notice on our site. This will ensure that Material Bank processes your shipment according to our Receiving Guidelines.

**Step 1:** Clear your browsing history and cache (Chrome or FireFox is recommended).

**Step 2:** Sign up or Log into materialbank.com, click on your account drop down menu and then click on Brand Resources.

**Step 3:** Click the “Get Started” button under Advanced Shipping Notice.

## Step 4: Fill out all mandatory fields on the right.

### Documents

#### Receiving Guidelines

Requirements for shipping to our Hub to ensure your items are received timely and efficiently without unnecessary charges.

#### ASN Submission

Procedure on how to upload your ASNs.

#### ASN FAQs

Frequently asked questions on how to upload an ASN.

#### Packing List Template

Submit your ASNs by filling out this template.

#### Barcode Guide

Learn about adding barcodes to your labels for expedited receiving and put away.

### My Advanced Shipping Notices

## Step 5: Download the packing list template.

Please note that the packing list template we provide is the only template that will be accepted.

- SKU field should contain your Brand SKU as listed in your replenishment report.
- QTYORIGINAL field should contain the quantity being shipped.
- ORDERID field should contain your reference number. This can be your tracking number, PRO number, PO number or any other unique reference number that we can tie your physical shipment to this ASN.

**Step 7:** Click on the “click to upload” button.
